

HealthStream is dedicated to improving the quality of healthcare by developing the people who deliver care. We are pleased to offer over 65 continuing education courses for nurses, pharmacists, rad techs, respiratory therapists, case managers and physicians. Complimentary CE courses are turned on for your students at your discretion through the acceptance of a HospitalDirect offer (see HospitalDirect under the Services tab). Once accepted, complimentary CE courses are available to you for assignment through the standard assignment tools and for student self-enrollment through the catalog and HospitalDirect tab. Grant funds for these continuing education activities have been provided by Action Products, Aspect Medical, B. Braun, Baxter, Cardinal Health, Covidien, Encision, KCI, Medegen, Oridion, Pyxis, and Stryker Orthopaedics.
